Percy Sledge calls them the best band he's ever worked with. D.J. and club proprietor Lindsay Shannon calls their music, "jumping' and shouting' rhythm and blues." Former KC Mayor Kay Barnes requested them by name for her inaugural ball. Back-up band for The Coasters, The Platters, The Drifters and many others since their inception, Neon Blue is considered to be one of Kansas City's premiere R&B bands.

Enjoy cash bar and complimentary heavy hors d'oeuvres at each show.
