SUMMIT BANK OF KANSAS CITY PRESENTS MATT MITCHELL, OWNER OF CULVER'S

The Culver's difference is noticeable as soon as you walk through the door. They combine bright smiles, clean restaurants and warm hospitality with tasty food and a friendly atmosphere to set a new standard in quick-service dining, for which Culver's is now famous.

Because of their strong commitment to their community, Matt and Jeannie Mitchell have raised close to \$20,000 for area schools through their fundraising nights in their restaurants.
